

Message From The GRAND WORTHY ADVISOR

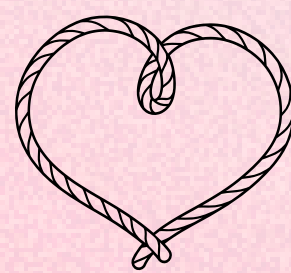

I joined Rainbow because it has always been a part of my life and my family, but I stayed because of the skills I learned and the chosen family I made along the way. When my older sister joined 14 years ago, I got my first glimpse of the organization that would one day shape who I am. My mom was also a Rainbow Girl, so I grew up hearing stories about her experiences and watching the friendships and memories that lasted long after her own years in Rainbow ended. For as long as I can remember, I counted down the days until I was old enough to join. When I finally turned eleven, I was initiated at Grand Assembly 2017, and it truly felt like a dream come true. From that moment on, Rainbow became so much more than just an organization; it became my second home.

Rainbow has given me opportunities that I never could have imagined. It has taught me leadership, responsibility, and confidence, helping me grow into the person I am today. Through countless service projects, I have learned the importance of giving back to my community and making a difference in others' lives. Along the way, I have built friendships that I know will last a lifetime, creating a family that extends far beyond my own Assembly.

Serving as Grand Worthy Advisor has been the greatest honor of my Rainbow journey. It has been so much more than holding an office; it has been the opportunity to serve the organization that has shaped my life and given me so much. This year has challenged me to grow as a leader, to trust in myself, and to lead with kindness, compassion, and authenticity. I have had the privilege of traveling across Washington and Idaho, meeting incredible girls and adults, sharing laughter, creating memories, and watching our jurisdiction continue to grow stronger together. Being Grand Worthy Advisor has shown me that leadership is not about standing in front of others, but about lifting them up and helping them see their own potential. I know I will carry the lessons, friendships, and love from this year with me forever, and I will always be grateful for the chance to give back to the organization that has given me a lifetime of memories.

With all of my Rainbow Love,

Sarah G.
